As the cooler months have arrived our skin tends to get dry. As you pamper your insides with warm hot cocoa and cozy up by the fire why not share the love and hydrate, nourish and protect your skin with body butter during the cool winter months.

Resting in the River's Healing Body Butter:

Created by Marsha Mason, all of the Resting in the River's products are made from the herbs and flowers grown at their organic medicinal farm located in Chama River Valley

in Abiquiu, New Mexico. The Healing Body butter will soften and protect your skin leaving it nourished and healthy. The key ingredients include Shea Nut Butter, Vitamin E and Organic Spilanthes flower and leaf. There are no artificial colors or preservatives and it is fragrance-free. Price \$16.99 Visit www.restingintheriver.com.

Upper Canada Soap and Candle Maker NATURALLY collection Body Butter:

Made completely free of parabens, mineral oils and synthetic dyes the product is made with all-natural ingredients, oils and mineral complexes purposely chosen for their known benefits to the skin. The body butter is rich in natural antioxidants. This

body butter smooths, moisturizes and protects your skin. The Wild Mint Lime gives the skin a vitamin booster, Red Tea Grape serves as an antioxidant and the Pressed Olive Avocado is a Skin Protector where Sweet Vanilla Fig Detoxifies. As your skin is naturally protected and nourished, these products will leave you smelling great. Price \$12.00 Visit www.uppercanadasoap.com.

VedaPURE's™ VedaBABY™ Butter:

VedaPURE™ is created by one of New York City's Top Pediatricians, Dr. Natalie W. Geary. She has formulated the first and only skin care line using ancient ayurvedic principles of balance and health. She has added VedaBABY™ to her credits, the only doctor-formulated skincare line for babies that is honestly natural and pure, completely free of chem-

ical preservatives, steroids and phthalates. For those who have precious little ones this is a wonderful product for their skin. The VedaBABY™ Butter is a rich body cream that contains Shea Butter, Cocoa Butter, Mango

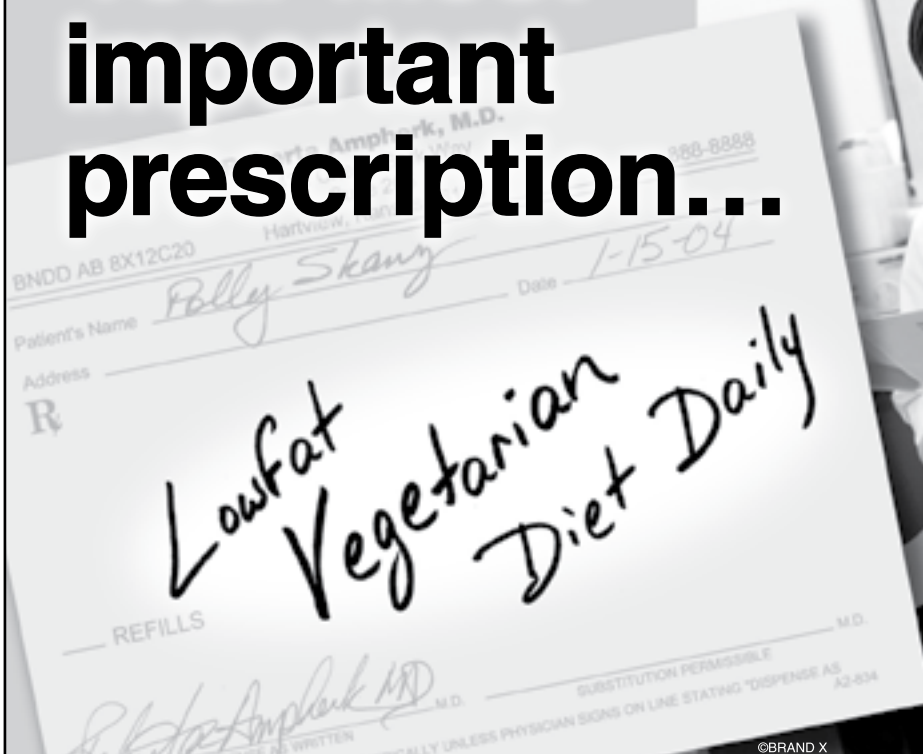

Butter, Rose, Vitamin C and E, Neem Lavender, Organic Black Willow Bark and Orange Essential Oil. This product is great for all skin types. Price \$30.00 Visit www.vedapure.com.

Korres Body Butter:

Korres Natural Products is a Greek company that was set up in 1996 with the purpose to use its extensive scientific resources for the creation of beneficial and safe products. Their body butter collection has softening, moisturizing agents that nourish and restore the skin. Enriched with natural plant extracts and free of mineral oil and silicone the body butters come in Yoghurt, Fig, Guava and Quince. Price \$21.00 Visit www.korres.com or www.sephora.com.
